Deputy Assistant Secretary for Information Systems Office
Department of State

SUBJECT: Foreign Affairs Information Systems Briefing

Day:

Thank you very much for inviting me and the team which came with me to the Planning Research Corporation (PRC) to hear about the Foreign Affairs Information Systems (FAIS). You and Kenneth R. Erney made a fine presentation. It was a good bridge building gathering as well. You have embarked on a significantly large endeavor. As I have stated earlier, if we can be of assistance don't hesitate to call.
